Reminder! Book Classes Early!

# New Make-Up Policy

New 55 Min Rec MakeUp Thursday 6:30

- All missed classes must be made up **within 30 days of the absence or they expire**. Make-ups will be voided upon withdrawal from the program.
- To accommodate this timeline, we have increased the number of make-up classes offered per week and devoted one weekend day per month for make-ups (see chart on "Make-Up" page of website).
- Students are allowed 10 make-ups per school year for each enrolled weekly class. All make-up classes can be canceled and rescheduled if the change is made more than one week prior to the scheduled make-up class.
- Students in Teen and Cheer classes are able to schedule make-ups through the front desk in these specialty classes.
- Enroll in a make-up classes in person, over the phone, or through email (frontdesk@goldstargym.com).

# October's Safety Issue: Parking Lot Safety!

## No Double Parking

**Waiting Area Next to Staff Door Facing the Exit**

**Do Not Block the Intersection**

It has come to our attention that clients have been stopping on the curb at the front door.

1. Please do NOT drop off or wait for your children on the curb at the front entrance of the gym.
2. We are asking parents to drive around the side parking lot and wait on the curb near the staff door.
3. As always if your children are young, we ask that you park your car and physically enter the building to collect them.

*Thank you for your cooperation. Safety is always our priority.*

# STAR WEEK!

Our first Star Week of the new school year will happen this month, and our Star Sheets are ONLINE! Every student's Star Skills will be inputted into their online portfolio accessible through the Parent Login on the homepage of our website.

Please understand that the Star Sheets are simply a progress report. Usually children have mastered several of the skills during their first months in class, but it may take a year or more to learn those last few skills. Therefore, we feel it is more motivational to receive a handful of stars every Star Week, instead of most of the stars in the first assessment and possibly only one each Star Week following.

Coaches may evaluate the skills over two weeks to allow the students to rotate through every event. If you would like your child to be checked for the next level outside of Star Week, please ask at the front desk to speak with a floor manager. The coaches are also able to move students up whenever they feel the gymnast is ready.

Every School-Age student will receive a poster for their level to take home. In future Star Weeks, the appropriate sticker stars will be given for your children to put on their posters. MiniStar students will receive a ribbon every Star Week.

# School Holiday Camps!

## Veterans Day & Thanksgiving Week

VETERAN'S DAY camp
Friday, November 11th

THANKSGIVING WEEK camps
Monday, Tuesday, and Wednesday (November 21-23).

## NO Regularly Scheduled Classes
## Monday, November 21-Sunday, November 27

No make-ups are necessary to compensate for the Thanksgiving break. Monthly tuition is based upon an average of four weeks of classes per month. No additional charges are incurred for those months with extra days, conversely credit will not be given for those months with less class days due to holidays. The average of class meeting days for September - November averages four per month.

To Make-Up for Thanksgiving Week ...
Saturday, Sunday & Monday students have an extra class meeting day in October
Tuesday & Wednesday students have four classes in November.
Thursday-Friday students have an extra class meeting in December.

Please note:

**All Class Students will be Charged for Only 3 Weeks in December.**
