MakeUp Policy Clarified

1. All make-ups must be scheduled (not completed) within 30 days of the absence.
2. Every student is given 10 make-ups within the school year for each class enrollment.
3. Make-up classes are available throughout the week (see times on our website under the "Make-Up Classes" Link).
4. We will add more make-up classes on weekend afternoons starting in March.
5. Currently one weekend afternoon a month is dedicated to make-ups. See the dates below.

Sunday, January 15
Saturday, February 18
Sunday, March 19
Saturday, April 15
Sunday, May 21
Saturday, June 10
Sunday, June 11

Thank you to those parents who have shared their valuable feedback as we try to establish our new make-up policy.
We appreciate everyone's patience as we continue to refine these procedures given our current enrollment numbers (which makes us unable to offer make-ups in our regularly scheduled classes as we have done in the past).

Please Note . . .

There will be no administrative charges added to January tuition unless fees are still outstanding after Monday, January 9, 2023. We understand with the frenzy of the holidays paying your child's gymnastics tuition may have been overlooked, and we are happy to offer an extra week this month to catch your breath.

January Safety Reminder
NO GLASS bottles in the gym

Please avoid bringing glass into the gym. Glass water bottles or drinks in glass bottles create a huge safety hazard for us when they break. As promised we have re-opened our water fountains and we will no longer be providing paper cups.

We are OPEN for Classes January 16, 2023

This Month's Safety Issue: Parent Feedback

Safety is our number one issue, and we are constantly working towards maintaining a safe, happy, and healthy environment. As parents and guardians of Gold Star students & athletes, there are surely things you have seen that you have liked and things that we can improve upon. This month we are asking for your feedback. If you have a compliment or words of advice for our staff, please write down your thoughts. The front desk has official feedback cards, but we will accept comments through any form OR email us at ... frontdesk@goldstargym.com.

Please include the employee's name (desk staff, coach, or manager), your name, and your child's name. Hand the paper to anyone at the desk, and your comments will be given directly to Pam, the owner, who will relay them appropriately. She often calls to discuss concerns so please include your contact information. We truly appreciate you taking the time to help our staff improve, and to pass along those wonderful compliments!
