Rules and Policies

Revised 5.23.17

ABSENCE POLICY:

- Athletes are required to be at practice unless approved otherwise in advance. Attendance is critical to team success and directly impacts a teams ability to practice effectively.
- Excused absences are considered Doctor excused illness or injury, pre-planned family summer vacations, or family emergency – while we do understand these types of absences will happen, any athlete with 3 absences will be discussed and their spot in the routine may be in jeopardy. Illnesses should be called into the front desk or emailed to your coach and Cheer-HipHop@goldstargym.com as soon as your child becomes sick. If your child is going to miss two or more practices due to illness you may be asked to turn in a doctor's note explaining their absence.
- Coaches should be notified of any non-illness absences in advance. Be sure you complete an Absence Form and turn it in to the Cheer office at least 3 weeks prior to your scheduled absence. The form does not excuse your absence.
- Missing practices or required classes not only affects the individual athlete but the team as well.
- Multiple absences or tardiness may result in an athlete moving or losing their position within a routine or team.
- As we get closer to major competitions we are less lenient about the types of absences that will be allowed.
- Practices within two weeks of competitions/events are absolutely mandatory and necessary for the success of the team.
- If an athlete is ill or injured, we ask that they still attend practice to observe any routine adjustments or changes. Exception: if the athlete has an illness that is contagious or an injury that requires them to remain immobile per a doctor's note.
- Gold Star All Stars reserves the right to call additional practices beyond a team's normal practice schedule with a minimum of 2 weeks' notice.
- If a tumbling class is missed the athlete will need to make up with absence within a month of the missed class.
