Gold Star Voted Best Place for KIDS in the South Bay!

Gold Star has been named one of the TOP 8 of Best Places for Kids in the San Jose Region by KidsOutandAbout.com. We are humbled and grateful for this honor.

September's Safety Issue: Social Distancing

We continue to streamline our procedure for quickly and smoothly moving all of the students from the handwashing stations into the lobby, where we have designated areas for the children to wait until their class begins (under our color coded Star Signs).

In a further effort to alleviate some of the crowding in the front of the building, several team groups have been instructed to enter through the side doors and wash their hands in the bathrooms.

If you arrive early to class and are waiting outside, please be cognizant of staying at least 6 feet away from other family groups.

Thank you so much for your cooperation and support through these unprecedented times.

The Gym Has a Lot of O - P - E - N Space During these Times

Adding An Outdoor Training Space

In the next month we plan to open a outdoor floor area providing more room in the gym. This outdoor space will be used by our team athletes to practice strength and stamina skills. Because these students will be outside and six feet apart they can work on increasing their endurance without face coverings.

#MarchforGSG

If your account still has a credit from the last two weeks of March, this will be applied to September's balance. If you would like to "opt out" of using this credit and return it to the gym's coffers to help pay for the staff's health insurance (which has been continuously funded throughout the closure and re-opening), please email our Office Manager ccastillo@goldstargym.com. We are grateful for any assistance we receive and completely understand if your family is not in a position to forgo these funds.

Thank You to All of the Parents Who Have Taken the Time to Email Us Wonderful & Insightful Suggestions & to Those Who Have Given Us Several 5 Star Reviews!

Make-Ups Begin in October

We are still devising a method to offer make-ups while maintaining small consistent groups. Stay tuned for more information about how to retrieve those make-ups from the 2019-2020 school year.
